PROJECTS

Portfolio
🔗 https://rfzajac.vercel.app/
Stack: Next.js, React, Typescript, TailwindCSS
• A great starting point to get familiar with all of my projects

TotArt
🔗 http://ec2-3-87-231-53.compute-1.amazonaws.com:3000/
Stack: Next.js, React, TypeScript, TailwindCSS, Node.js, Express.js, MongoDB, JWT, Docker, AWS-EC2
• Built a platform where users can share places worth visiting
• Integrated responsive, mobile-first design with Tailwind CSS, and REST API to manage users content
• Fully dockerized application, and deployed to EC2 instance on AWS

EcoSphere
🔗 https://github.com/RZajacc/EcoSphere
Stack: Next.js, React, Typescript, TailwindCSS, Node.js, Express.js, PostgreSQL, Google Cloud Storage
• Meetup inspired application, for sustainability-focused events
• Designed and built RESTful API to manage applications content

Codask
🔗 https://github.com/RZajacc/CodaSk
Stack: Next.js, Typescript, TailwindCSS, Node.js, Express.js, MongoDB, GraphQL
• Contributed to a collaborative GitHub project, that aims to build a platform where users can post code-related questions and seek guidance
• Implemented a Figma design, gaining valuable experience in translating UI/UX designs into functional interfaces

PROFESSIONAL EXPERIENCE

Game analyst
Berlin Recycling Volleys

📅 2019 - 2023   📍 Berlin

As a game analyst, I collected and analyzed data to develop game strategies, working closely with the coaching staff. Recognizing opportunities for automation in my workflow, I took the initiative to learn Python, resulting in improving efficiency, and deepening my passion for coding.

Game analyst
MKS Dąbrowa Górnicza

📅 2017 - 2019   📍 Dąbrowa Górnicza, Poland

Technician
Academy of Physical Education in Katowice

📅 2016 - 2017   📍 Katowice, Poland

As a technician, I was actively involved in data collection and pre-processing for various scientific projects within the department.

EDUCATION

Deutschkurs B2
Speakeasy Berlin

📅 05/2024 - 10/2024   📍 Berlin, Germany

Deutschkurs B1
die deutSCHule

📅 01/2024 - 02/2024   📍 Berlin, Germany

Full Stack Web Development
Code Academy Berlin

📅 07/2023 - 12/2023   📍 Berlin, Germany
- MERN as a leading technology stack
- Following Agile Scrum Methodology

Computer Science
University College of Enterprise and Administration in Lublin

📅 2016 - 2018   📍 Lublin, Poland
- Java as leading programming language

MA Physical Education
Academy of Physical Education in Katowice

📅 2006 - 2011   📍 Katowice, Poland

INTERESTS

🌍 **Sustainability**
Especially in personal life, but not exclusively

📱 **Technology**
Spanning from hardware to software, mobile and desktop

KEY ACHIEVEMENTS

Battle of Bootcamps Berlin - Hackathon
Collaborated with a team in a fast-paced project in sustainability oriented hackathon.
